

# Newsletter January 2019

Small newsletter for the beginning of the year....

Yet another year has gone bye and they seem to be going faster and faster. I hope they don't get much faster or it will feel like you blink and the years gone. The Clubs been pretty active last year and with a lot of club weekends, club dives, fishing trips, working bees and some good meetings. The Xmas/bottle auction meeting was a good one and it's a shame a few had to miss it due to other things on due to it being run later then usual. This year we know what we need to do and time frame for booking the venue so we will definitely have it on the normal meeting date in November. The weather the past month has been pretty good but the winds up at the bach have kept a lot of people off the water over the Xmas break. Lets hope these norwesters start to die down so we can get out more.

## January Meeting

The next meeting will be the first for the new year and the last before the fishing comp.

Meeting date: 28th January 2019 at The Kaiapoi Club - 7.30pm

## Sheriff EZYRyder

Don't forget that Sheriff EZYRyder is on the lookout for informants for fines from over the last few months... the funnier the better but he will take what's out there and stretch the truth a bit when needed.

Another thing to remember is we now can also fine the sheriff at the meetings for and stuff he has done.

Any fine give Steve a call - 027 592 4106 or bring them along to the meeting

# Friday

Nolan has already started this years Raffles that we run down at the Kaikanui Tavern in Kaiapoi.

If you can make it down and show your support at some stage it would be great. While there we talk a bit of bulls\*&T and organise dives and fishing for the weekend if the weathers good.

Start times from 5pm until the last person leaves (that has been quite late or umm early Sat at times). Everyone is welcome including partners.

The Kaik also puts on a feed at 6pm

## Newsletter Content Required!!!

I need some content for newsletters as there is only so much b/s I can dream up and I always forget to take photos even though I have my phone with me...

This year any trips, club events etc someone will be given the task to do a writeup about it. I will also be asking the President for a Presidents report.

The past few years I have had a few reports and that has made my job a lot easier and more for you people to read.

I also would like to get reports for stuff you have done that you think will be of interest to other... diving different places, catching your first cray, Orca and dolphin sightings and pics when you have been out, Tips and hints or even just a report for a trip out of Motunau.

Planning a trip and need more people? let me know and I can let people know.

Reports need to be typed out and sent to me as a file that I can copy/paste from or edit it from so I can throw it into my template that I use other wise it can take me hours to re type out with my 2 finger typing.

If you think people will be interested then send it through....
